Double Celebration.
A most enjoyable event took place last evening at the home of Rev. and Mrs. L. A. Barnes at Bentons Ferry, when the members of their family, near relatives and a number of their neighbors gathered at their home, it being the fortieth wedding anniversary of Mr. and Mrs. Barnes and also the sixtieth birthday of Mrs. Barnes. Mrs. Barnes who had not been apprised of the double celebration was most agreeably surprised and enjoyed the evening very much. She received a number of useful and appropriate birthday gifts. All the children of this venerable couple were present except one son, Fred Barnes, who is employed as railway mail clerk and was unable to attend.

The evening was spent in social conversation and reminiscences of the past were related by the older members of the company which were most interesting and greatly enjoyed by all. Mrs. C. E. BEAVER BOARD
FOR BETTER WALLS & CEILINGS

Why Live with Cracked Walls and Ceilings When They're Easily Covered Up

Beaver Board will cover them up for all time and you'll never have the job to do again. While Beaver Board is doing away with the danger of falling plaster it is covering up old dingy wall paper on walls and ceilings and giving you a smooth surface for painting and decorating.

Many an old home has been ruined with this knottish, crackles manufactured lumber. Room after room has been made over one at a time if you please—without much cost or labor.
Beaver Board is real lumber. It is built up into large panels from the strongest, pure

pieces of the spruce tree. Each panel is treated with the patented Sealite process which prevents warping. If you need to build or re-build, restore or enlarge, ask us how you will profit by using Beaver Board.
